—"Since the shooting of the man Slayback by the St. Louis editor, it is said that a sign will be put up in every newspaper sanetum in the country something as follows: Don't monkey with this editor, he is loaded. It is a very good idea and will lessen the mortality of the country considerably. It is so long since an editor killed any one that the people have become reckless and they fool around an editor the same as they would around the cage of an old lion in the circus who is old and whose teeth are all gone. Men have been known to say frequently the same as Mr. Slayback is credited with saying. "Oh, the dunc, the editor is not dangerous, I'll just go up and smash him one on the jaw, for luck." and ten chances to one if they attempt it they get left. Editors are loaded and don't you forget it."—Puck's Sun.

### The Hunt last Friday.

Those who took part in the hunt last Friday enjoyed a fine day's sport. It snowed a little the night before and the tracking was good. There were but a few who got small counts, while the majority brought in extraordinary large counts. The oyster supper was the best part of the performance and everybody seemed to enjoy a hearty meal, which was served in good shape by the landlady at the Commercial House. The hunt was won by J. C. Holden's side. The following are the counts made by each person:

J. C. Holden	65	A. R. Fraser	230
J. C. McKenna	560	J. Mills	270
Jas Cooper	170	L. Morrill	105

### Robbery in Broad Daylight.

Our village was turned into a state of excitement last Saturday over the robbery of O. W. Mills' money drawer in his office at the elevator. It seems that while he was at his dinner the robber, Win World as he gives his name, unlocked the door of his office opened the till and took therefrom \$120. in gold and silver and started for Ft Huron. He met a man with a load of grain and offered him \$10 to take him there, saying that his brother was not expected to live and wanted to get there as soon as possible. This man arriving at the elevator heard of the robbery and informed Mills of this suspicious looking fellow when steps were at once taken for his capture. Officer Berret was summoned and he followed the prisoner who was found east of here at Mr Heath's where he had made arrangements to be taken to Port. He made for the woods but was captured by the officer who found the money on his person and brought him to the village to stand his examination. He pleaded guilty of the charge against him and was turned over to the Circuit Court for trial, and this was all completed inside of two hours after the robbery. The officials do quick work here and it is poor business for any person to steal money and try to get away from officer Berret for he is sure to catch them every time.

At the M. E. parsonage in this place by Rev A. J. Holmes. Mr H. O. Babcock to Miss Hannah English, both of Peck. We wish them success.

You can get a trial bottle of Dr Bosanko's Pile Remedy at F. A. Baker's drug store which will convince you that the regular 50 cent size will cure any case of Internal, External or Itching Piles, besides all unpleasant sensations, Scales Eruptions, Sores, Boils, Burns, Scalds, and for general purpose ointment it has no equal. Call for a trial box at once.

### By Neglect.

What is it at first but a slight cold, becomes a cough, straining and exhausting the lungs till such an advanced condition exists, that powerful remedies are not always able to stop the disease and the person goes into consumption from mere neglect. Do not be so foolish but use Hamilton's Cough Balsam, which removes the impure matter from the throat and lungs and exerts a healing influence on the diseased parts. Even those who are but the wrecks of their former selves receive wonderful help. In Croup and Whooping Cough it is invaluable. Price 25 and 50 cents. Sold by C. A. Wells & Co.

### Do You Know?

That the Horse and cattle Powders prepared by E. M. Parmelee are composed of the very best and purest materials. Licenses: Fungus, Blood Root, Eucalyptus for Coughs, Colds, Epizootic, Distemper, &c., Sulphur, Mandrake, Gentian, Sulph, Magnesia for Impure Blood; Brains many other ingredients especially adapted to the cure of Colic, Worms, Heaves and all diseases of Horses, Cattle, Hogs, Sheep and Poultry. Buy no other. Full pounds only 25 cents. Sold by C. A. Wells & Co.

—Ask your Grocer for Port Huron Brooms. Take no other. Every one warranted. Manufactured by E. Percival & Son. 10m6.

### CONSUMPTION.

It is said that 50,000 people die annually in the United States alone from this disease. In some sections of the country one death in every three is from Consumption. This can be, and should be avoided; our people are too careless about an ordinary cough or cold, and other symptoms of throat and lung affections that lead to this disease. You should arrest it while it is in the germ. Two or three doses of Dr. Bosanko's Cough and Lung Syrup will relieve an ordinary cough or cold. It does not dry up a cough like many preparations on the market and leave the disease behind it, but acts directly on the throat and bronchial tubes, removing all the phlegm and morbid matter that accumulates in the throat and lungs. It allays all irritation, and renders the voice clear and distinct. Sold by F. A. Baker.
